

## Abstract:

Tasks and points system for families.  
Get organised with gamification.

## Project Goals

### Motivation

Create motivation for family members to work together on completing day-to-day tasks.

### Schoolwork

Remind and encourage kids to complete homework.

### Accountability

Allow parents to check that kids' homework has been done.  
Make sure everybody knows the dog has already been walked and fed.

### Family Interaction

Encourage the family to spend time together and co-operate.

### Fun

Give a sense of satisfaction and joint achievement and add a fun element to day-to-day tasks.

## Technologies used

Python  
Django  
SQLite  
HTML5  
CSS  
Javascript  
Bootstrap  
Github  
Taiga.io  
Travis-CI
